PROJECT

HTML Mockup

Hi John,

Good job on your markup ! Your HTML code is well written as well and I have highlighted sections in blue to help optimize your code.

All in all, this is a good first submission.

Design   Meets Specifications
- The DOM tree correctly represents the page content.
- Excellent job on using grid-based layout principles !

Responsiveness   Meets Specifications
- The page is responsively designed.
- Page renders correctly across a range of devices and browsers.

Separation of Concerns   Meets Specifications
- Page completely separates structure (HTML) from design/style (CSS).

Code Quality   Does Not Meet Specifications
- Your CSS file meets W3 standards.
- Your HTML file is formatted according to the Google style document and can be improved as follows :
  - Remove all trailing whitespaces.

Project Meets Specifications
